10. Force Majeure Disclaimer

10.1 Definition of Force Majeure

- The Company is not liable for delays, disruptions, or failures in performance caused by events beyond its reasonable control, including but not limited to:
  - Natural disasters (e.g., earthquakes, floods, storms).
  - Acts of war, terrorism, or civil unrest.
  - Government actions or regulations.
  - Power outages, internet disruptions, or telecommunications failures.
  - Cyberattacks, including distributed denial-of-service (DDoS) attacks.

10.2 Impact on Services

- Events classified as force majeure may result in temporary or permanent interruptions to game access, in-game transactions, or progress.

10.3 No Compensation

- The Company is not obligated to provide compensation, refunds, or other remedies for disruptions caused by force majeure events.

10.4 Efforts to Restore Services

- In the event of a force majeure disruption, the Company will make reasonable efforts to restore access to the game and related services as quickly as possible.

10.5 Notification of Force Majeure

- The Company will communicate significant disruptions caused by force majeure events through official channels, such as the game’s website or in-game notifications, when feasible.
