4. Intellectual Property Rights

4.1 Ownership

- All content within the Software, including graphics, sounds, animations, and game mechanics, is the intellectual property of the Company.

4.2 User-Generated Content

- By creating or uploading content to the Software (e.g., player profiles, community posts), you grant the Company a worldwide, perpetual, royalty-free license to use, modify, and distribute your content in connection with the Software.

4.3 Third-Party Content

- The Software may include content licensed from third parties. These third parties retain all rights to their respective content.
